Huge news: 30+ million people watched the trailer for "The War On Children".

My @X subscribers watched the full film first. Their support made it possible for us to do something incredible...

"The War On Children" film is now free for EVERYONE on X to watch this week!

One note: If you love our film and you're in a position to do so, please go make a contribution at TheWarOnChildren.com so we can keep making films like this. You can also subscribe to me here on X. Films take incredible time/energy and we refuse to work with woke studios. YOU power us to keep doing this.

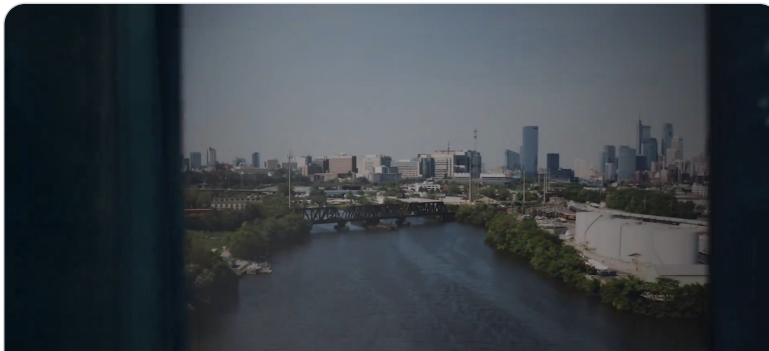

To answer a frequently asked question: The song in the credits is Landon Starbuck "Landslide" and yes it's on all the big music services.

Another thing: Don't just get outraged by the film. My co-host @LandonStarbuck (and wife) has a non-profit that explains how parents can take action after watching. Just join their email list at FreedomForever.us and they'll email you a free copy of "The Parenting Revolution Manual".

Lastly: Please don't rip the film and put it on other sites. We're doing this ONLY on X because the support of our subs is the only reason why this is possible.

Thank you @ElonMusk for this amazing platform that allows creators to create without censorship!

Here are some of the amazing people in the film for you to follow:
